

Late-breaking news about the annual meeting date/time/place!!!**THE LATEST!!! (September 16th)**

Kooter's will open at 10:30 for us on game day, so please be on time so we can start our meeting quickly and get on with the game! See you there!!!

UPDATE!!! (September 13th)

Everyone: It was recently announced that the Penn State-Wisconsin game 22 September will be televised nationally by ESPN. Kickoff is 11:10 our time....

Reminding all that our Annual Meeting, which is in conjunction with the Wisconsin game, is at Kooter Brown's West this year. Kooter's opens at 11AM normally; I'll try and see if they'll open a bit earlier than that for us so we can at least get situated. Promise that the meeting itself will be short - very short!

Those desiring directions to Kooters please email me. **Stan Allsopp,**

ORIGINAL INFO

Kooter Brown's West has tendered an offer that's hard to resist. Therefore, I've decided to hold our annual meeting at Kooter's this year, in conjunction with the Wisconsin game, September 22nd. Still don't know the exact time, as the TV schedule still isn't decided.

Here's the deal: The Chapter will set up several platters of free munchies like we always do; full-up meals & beverages are your responsibility. PLUS: All those attending our annual meeting (and RSVP'ing in time) will get a pitcher with a Penn State logo on it!!! These will be the 'good' kind too, not those old ones that were hard to pour from. Kooter's is getting the pitchers, but will have to know how many to get ahead of time.

So, there's **two things you will have to do** in order to get to the meeting, AND get a pitcher! First, you MUST RSVP to Kooter's (850-453-3100) NO LATER THAN September 1st, in order to get a pitcher (make sure you tell them you're RSVPing for the Penn State meeting September 22nd, and your name(s)). Second, you need to contact any of the Board members or check the website to find out what time the meeting will start. I will let those know whose email address is current; the rest of you need to call.

See you then!!!! GO LIONS!!!
