Summer Newsletter - 2006

## Message From the President:

Here we are in the middle of yet another hurricane season in what's becoming known as 'Hurricane Alley'. So far we've seen a really quiet time; let's hope it stays that way. Lots of folks are still trying to finish up repairs from Ivan, Dennis and Katrina.

The Spring Get-Together didn't pan out. Sorry about that, but our under-the-slab water supply leak turned into a major nightmare of three separate leaks which required jackhammering the house slab in several areas, PLUS knocking out part of a brick wall, to fix it all. Needless to say, by the time we got the house back in some semblance of order, the window of opportunity was lost. However, NEXT year.....

We're going to do our Annual Meeting a bit different this year, holding it BEFORE the season starts. Check elsewhere in this newsletter for particulars. We'll be showing the 2005 season highlights DVD at the annual meeting on the 'big screen'. I think we've fixed all the water leaks.....Also, we're thinking about relocating our Pensacola spot to watch games. Any suggestions, please bring them with you. It will help if you check out the place you're thinking about ahead of time, to ascertain if they're willing to host us, and what if any kind of deal (dedicated TV/area, etc.) they may be willing to offer up.

Our Chapter continues to shine within the Alumni Association; however we are as always in great need of some volunteers, AND some donations, in order to keep our charitable endeavors going strong, as well as maintaining our status as a Chapter in good standing.

It's also time for dues. If you're not current, an invoice will accompany this newsletter. Please remit your dues expeditiously. The Treasurer/Membership Chair will appreciate it immensely.

The 2006 version of the gridiron Nittany Lions is looking to be as exciting as the 2005 group was—albeit with a different look. We've lost a great leader and multi-threat QB in the graduation of Michael Robinson, but Anthony Morelli has a cannon for an arm, and a ton of extra-speedy and seasoned receivers to go to, plus the ever-dependable Tony Hunt lugging the pig-skin. While we lost some key defenders as well (ala Tamba Hali), everyone's #1 choice as the best linebacker in the nation (and arguably one of the best to ever play at Linebacker U) Paul Posluszny returns to anchor another tough D. Personally, I'm really looking forward to this year! We have a super recruiting class coming in (some already there), and already we're doing great with verbals from another budding crop of great student-athletes for 2007. You bet we're back!! Although.....were we ever really gone, as Joe tells the media.

See you all August 19<sup>th</sup>! GO STATE!

### FOOTBALL TAILGATING

Football season will be starting in early September. Let's start thinking where you want to meet to watch the games. Please remember it must be a place that can pull all of our games in and also a place that serves decent food and has enough seating for us. Please either call with your suggestions or tell us at the annual meeting.
